

# Judge the NSPC Brain & Spine Surgery Health Science Competition!

**NSPC**  
Health Science  
Competition

Support local high school scientists virtually! Our entrants are preparing to be future leaders in the medical field and your experience is invaluable in that process! Register to help today!

- Health science degree preferred, other science degree with 2+ years of work or study in a health science field accepted
- Virtual Judging will occur from March 31 to April 18, 2022
- Each Judge will receive 8-10 pre-recorded video projects
- **Great opportunity for graduate students and interns!**
- If child/relative/student is competing you are eligible as long as the Administrator is informed

Any interested parties with questions are asked to please contact the administrator either by phone or email at the information below.
